Subject:- **Evaluation by the Expert Group over the report of Social Impact Assessment Study** as conducted by the SIA Team members in connection with acquisition of land measuring **0.34** acres for construction of **Vigyan Gram (Science City)** for clear vision and clear passage from National High Way at mouja Badharghat, Sheet No. 5(3)/P.

As per recommendation of the Revenue Department, Government of Tripura vide Notification No.F.09(11)-REV/ACQ/VI/16 dated 12th June, 2017, we the undersigned examined the SIA report as submitted by SIA team in the prescribed format in connection with the proposal for acquisition of land measuring 0.34 acres for for construction of **Vigyan Gram (Science City)** for clear vision and clear passage from National High Way at mouja Badharghat, Sheet No. 5(3)/P.

The observations in respect of the SIA report are hereby mentioned below:-

- a) The proposed project is exclusively meant for public purpose and optimum level of public interest will be served with the setting up of the project.
- b) The land measuring 0.34 acres of mouja Badharghat, Sheet No. 5(3)/P for acquisition of land for construction of **Vigyan Gram (Science City)** for clear vision and clear passage from National High Way appears to be minimum quantum of land required for the said purpose.
- c) There is no unutilized land in the previously acquired area which can be utilized further. The proposed land to be acquired is very much contiguous to earlier acquired area.
- d) The potential benefit of the acquisition shall outweigh the social cost and adverse social impact, if any as determined by the SIA members.
- e) No family will be displaced in the event of the proposed acquisition of land. So to make the area as compact, the present acquisition of land has become inevitable.
- f) Setting up of this project will open era to the people of Tripura specially students in acquiring knowledge on science matter and help them to increase inquisitives.
